Washington, D.C.20250-0003

**Re: North Cache Conveyance Project by the Bridger-Teton National Forest**

Dear Mr. Tidwell:

No one thinks this is a good idea—especially the nine hard-working Forest Service employees and their families who, at their own expense, must move their homes off this land once it is auctioned away. Some estimate the cost at \$10,000.00 to each family (*Jackson Hole News & Guide*, Oct. 21, 2009). This money grab by our local Forest Service was never about better employee housing anyway.

Please help us stop this.

Sincerely yours,

Charles L. Payne, Jr.
